Through the Proper Channel,

Sir,

Subject;- Bhima Reddy (Sri.H.B.)-Taluk Supply officer, Yemmiganur, Bellary District- Non-inclusion in the list of Deputy Tahsildars for 1949- Memorial Submitted

***

The humble memorialist, H.B.Bhima Reddy, temporary Taluk Supply officer, Yemmiganur, begs to submit the following few lines for the consideration of the Government and favourable orders.

2. The memorialist is a Graduate of the Madras Universit He joined service in the Revenue Department as a Lower Division Clerk in February 1941, He passed parts I and II of the Revenue Test in 194 and worked as a Firka Revenue Inspector from December,1943, to May 194 and passed the maintenance test also.

3. After satisfactorily completing the Revenue Inspector course he worked as a clerk in the Revenue Divisional office, Adoni, till June,1946, when he was taken to the Collector's office a s a Lowe Division Clerk. He was included in the list of clerks fit for appointment as Upper Division clerks even when he was working in the office of the Revenue Divisional officer, Adoni, in 1946. After he jo the Collector's office he was promoted as an Upper Division Clerk with effect from 23-4-47. By 1947 he passed all the tests required for promotion to the cadre of Deputy Tahsildars. He continued as an Upper Division clerk till September, 1948, when he was promoted as Taluk Supply officer in the cadre of Deputy Tahsildars under Rule 9(a)(1) of the General Subordinate Service Rules and posted to Adoni. As he was fully qualified by the time the list became due in 1947 he was under t impression that his case would be favourably considered. But somehow

his case appears to have been overlooked and since 1947 persons, who are just about his age or a year or two older, were included in the list of Deputy Tahsildars although their qualifications were inferior to those of the memorialist. Of the persons included this year, Sri. N.Sathyanarayana is only an S.S.L.C.holder and he is just about an year older than the memorialist. He qualified himself for a Deputy Tahsildar's post only in 1948, that is one year later than the memorialist. Similarly, Sri.K.Rudrappa also passed only in 1948, and Sri.P.M.Rachayya and Sri.G.A.Kotrabasayya completed their tests only in September, 1949. If the memorialist had had an opportunity of being included in the list for 1947, these four persons would not have had the chance of competing with him. Sri.Rachayya also is a mere S.S.L.C. holder.

4. The memorialist, being a non-Brahmin, and a Graduate, requests the Government to include his name in the list of Deputy Tahsildars for 1949 considering the relative merits of the persons now included, his continued good work ever since he joined service and particularly his recognised good service as Taluk Supply officer, for nearly a year and a half. It may not be out of place to mention here that his good work in procurement and rural rationing as Taluk Supply officer, Harpanahalli, was recognized by the Collector who awarded him a red entry. The remarks of the respective Revenue Divisional officers and District Supply officers may be perused.

5. There appear to be many passed-over turns in respect of the non-Brahmin community in the cadre of Deputy Tahsildars. It would appear, also, that though this year's list has been drawn up with a view to securing fair communal representation, the Non-Brahmin community has not been given due representation as against the Backward non-Brahmin community which is over-represented. Moreover, it is submitted that the Lingayat and Kuruba communities, though called Backward, are already highly represented unlike the non-Brahmin communit

being educationally more advanced than the Kapus(Reddies) of this district. The Reddy community of this District is particularly conspicuous in being unrepresented in the cadre of Deputy Tahsildars (and even Tahsildars).

6. The memorialist humbly begs to submit also that if age is taken into consideration, Sri.B.M.Veerabhadrayya is younger than he. If educational qualifications are the criterion, he is superic to Sri.N.Sathyanarayana and Sri.P.M.Rachayya. In the matter of inclusion in the Upper Division list he is senior to Sri.Rudrappa and Sri.Rachayya. If caste is to be the basis for selection, next to the Harijan community, the Non-Brahmin community is the most inadequa tely represented one in this district. Moreover, the memorialist is probably the only Taluk Supply officer in this District who, during a long service of a year and a half, never got any punishment but earned on the other hand a red entry. He is also led to believe from the copious encomiums he received from the various officers under whom he worked that his record in all probability, is superior to that of Sri.N.Satyanarayana, the only Non-Brahmin Hindu who got inclusion this year though he is only an S.S.L.C. and slightly older than the memorialist with less than a service of 6 months in the cadre of Deputy Tahsildars under Rule 9(a)(1). Applying any principle, the memorialist feels that his claims were not considered in the manner in which they deserved, and consequently the promotion due has been denied to him for no fault of his.

7. In these above circumstances the memorialist prays that the Government will be pleased to examine the confidential records of the persons who are included in the list of this year and do him justice by recognizing his merits and claims and ordering the inclusion of his name in the list of Deputy Tahsildars for 1949.

The memorialist begs to remain,

Sir,

From Sri H.B. Bhima Reddy, petition, dated 18-2-1950.
From the Board of Revenue, Ref. D. 3096/50-1(C), dated 31-3-1950.

To U.S.

Please see the petition of Sri H.B. Bhima Reddy at pages 5-7 C.F. and the Board's Ref. extracted at pages 1-4 C.F. The petitioner requests that he may be included in the approved list of Deputy Tahsildars for 1949.

2. The petitioner is a Non-Brahman. He is aged 31. He is a graduate and technically qualified to hold the pos of a Deputy Tahsildar. He participated in the strike. He is working as a temporary Taluk Supply Officer in the grad of a Deputy Tahsildar since September 1948. In his annu proposals for inclusion of names in the approved list of Deputy Tahsildars for the Bellary district for 1949, the Collector recommended his name for inclusion with the following remarks:--

He took part in the strike. The Sub-Collector, R.D.O., Adoni and D.S.O. have all spoken very highly of his work, ability and conduct. I have over-checked his work too personally. I consider that he richly deserves inclusion. A very bright and conscientious officer.

The Board examined his case and ordered that he might wait. The Board's remarks are extracted below:--

dasmb · Record poor. In view of limited vacancies may wait

3. Against the orders of the Board referred to, the petitioner has now come up to the Government. He states that since 1947 persons who are just about his age were included in the list of Deputy Tahsildars although their qualifications were inferior to him, that he has done good work in procurement as T.S.O., Harpanahalli, that the Reddy community to which he belongs is underrepresented in his district and requests that he may also be included in the approved list of Deputy Tahsildars for the Bellary district for 1949. For the information how the various Communities are represented in the Category of Dy. Tahsildars in the Bellary Dt please see the B/s ref. on pp 11-12 C.F.

4. Selection to the post of Deputy Tahsildars is based on merit and ability. Inclusion is done by the Board of Revenue. The Government interfere only special cases like (1) the Collector recommending the candidate successively and the Board turning down, (2 that the candidate belongs to a Backward Hindu commun.., (3) that he has acted as a temporary Deputy Tahsildar for a long time or (4) that he is nearing the age limit. None special reasons for interference is applicable in the case of the petit

In the case of the petitioner, the Collector has ecommended the name of the petitioner only in 1949. He has been acting as a temporary Deputy Tahsildar since September 1948. The Board's remarks in the petition are as follows:--

The Board included 5 names in the approved list of Deputy Tahsildars - 4 belonging to Backward Hindu Community and one belonging to Non-Brahman Hindu communit These 5 persons were included as their records were bette than those of the petitioners and the memorialist."

For orders whether any interference by the Govt will be bonsidered necessary on behalf of the petitioner or whether the Board's orders that the petitioner might wait will be accepted and the petition rejected.

On this case the Board first reported that his record was POOR" and that he might want. The former SECRETARY pointed out that his record was improving good & asked the Board to clarify their use of the expression "poor"

The Secretary, BOR wrote to say that "poor" is a mistake for "good", which is regretted. If this had not been followed up here, serious injury would have been done to Bhima Reddy's prospect

This officer has a light record & richly deserves inclusion in the list. His procurement work has been good & he has earned praise from several officers. There is no need to take his "Want" as the Community is "under-represented"

May be included. The mistake at X is a grave one & the Bds Sec. may be directed that his attention in future, & to take action against the personal responsible.
